There’s no better time than now to seek out these opportunities and grow your leadership skills.

Growing Leaders for Today... and Tomorrow
That’s where Agricultural Leaders Of Tomorrow (ALOT) comes in. Established by Illinois Farm Bureau in 1979, more than 1100 participants have graduated from this leadership program.

**We Need You!** Illinois Farm Bureau relies on our member leaders not only to promote Farm Bureau, but also to represent agriculture on a greater level.

ALOT provides select Illinois Farm Bureau members an opportunity to learn a broad range of skills to enrich their leadership abilities and provide a greater voice for agriculture in Illinois.

Benefit as an individual and as a group. Whether you are a county Farm Bureau president, a member of the state board, head of a committee for your local Farm Bureau, or an agribusiness professional, you’ll face and embrace challenges and victories through the ALOT program.

**The five main areas of study are:**
- Communication & Engagement
